Independent auditor's report

To the management and founder of NNLE "Chernovetskiy Fund"

Opinion

We have audited the statement of sources and uses of funds of NNLE "Chernovetskiy Fund" (the Organization) for the year ended 31 December 2020 and related notes to the statement of sources and uses of funds (together referred to as the Statement of Sources and Uses of Funds).

In our opinion, the statement of sources and uses of funds of the Organization for the year ended 31 December 2020 is prepared, in all material respects, in accordance with the cash receipts and disbursements basis of preparation described in Note 2 to the statement of sources and uses of funds.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Statement of Sources and Uses of Funds* section of our report. We are independent of the Entity in accordance with the International Ethics Standards Board of Accountants' (IESBA) *International Code of Ethics for Professional Accountants (including International Independence Standards)* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - basis of accounting and restriction on use

We draw attention to Note 2 to the statement of sources and uses of funds, which describes the basis of preparation of the statement of sources and uses of funds. This statement of sources and uses of funds is prepared to provide information on cash receipts and disbursements of the Organization to the donors. As a result, the statement of sources and uses of funds may not be suitable for another purpose. Our report is intended solely for the Organization and for the donors. Our opinion is not modified in respect of this matter.

Responsibilities of management for the statement of sources and uses of funds

Management is responsible for the preparation of this statement of sources and uses of funds in accordance with the cash receipts and disbursements basis described in Note 2 to the statement of sources and uses of funds, for determining the acceptability of this basis of preparation, and for such internal control as management determines is necessary to enable the preparation of the statement of sources and uses of funds that is free from material misstatement, whether due to fraud or error.

Building a better
working world

Auditor's responsibilities for the statement of sources and uses of funds

Our objectives are to obtain reasonable assurance about whether the statement of sources and uses of funds as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this statement of sources and uses of funds.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the statement of sources and uses of funds, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
